World Vision Global 6k for Water Event (May 18)

Six kilometers, or 3.7 miles, is the average distance that people in the developing world walk for water—water that is often contaminated with life-threatening diseases. On Saturday, May 20, 9am, East Valley will host a 6k to raise funds to bring clean water to communities in need. The event will start and end at the EV parking lot.

- Register for the 6k on the World Vision website. For \$50 (or \$25 for those under 18 years old), you will become an official participant and receive a T-shirt from World Vision to be worn on race day. Register online at <https://global6k.worldvision.org> and be sure to join the "Go EFC East Valley" team.
- Donations for the cause can also be made to World Vision via their website without registering for the event. (Same link as above.)
- Please see Deacon Matt if you have any questions or need help registering for the event.
